A Bible Study For Women

Bible Study Guide

There is so much life-changing power in Scripture! God promises that His Word “will accomplish what I desire and achieve the purpose for which I sent it” (Isaiah 55:11). This fourteen-week Bible study is designed to help you dig deeper into the scriptural principles surrounding each chapter of *Having a Mary Spirit*. (Group leaders, if a twelve-week format works better for you, you’ll find directions at the end of this guide for adaptation.)

I recommend using a translation of the Bible that you enjoy and understand. Also have a notebook and pen for recording your answers. Before each lesson and as you read the corresponding chapter or chapters, ask the Holy Spirit to increase your understanding, helping you apply the truths you discover.

Each lesson starts with questions for individual reflection or group discussion, then moves to a “Going Deeper” study of Scripture. At the end of the lesson you’ll have an opportunity to write about or discuss what most impacted you in that chapter. The stories, quotes and sidebars within the chapters may provide further opportunities for discussion or reflection.

As we reprogram our hearts and our minds to operate according to God’s truth, our lives are changed. This study may feel a bit personal at times, and you may find that your natural self (I call her Flesh Woman) puts up a fight. But that is because she knows she’ll lose ground as the Holy Spirit leads you into all truth. Prayerfully commit yourself to this study. Give God access to every part of your life. And prepare to be changed...

For God has a holy makeover waiting for you!
