

If there's one thing we can all agree upon it's that Christian fiction readers are avid fans, voracious book consumers, and advocates for great stories. Christian fiction readers have dozens of blogs, Facebook and Twitter pages, websites, and Goodreads lists dedicated to discussing Christian fiction.

What if we Christian fiction enthusiasts could get the latest updates, recommendations, releases, reviews, community and exclusive articles...all in one place?

Novel Crossing was created to do just that. It's a place where faith and fiction intersect.
